

Lost Trail Hot Springs' Helpful Hints

We look forward to providing you with a relaxing and enjoyable experience. When you make your reservation we will go over some details about our establishment that we think might be helpful to you in planning your visit.

We'd like to go over a few things we have found past guests were surprised by like the fact that the majority of lodging options are without televisions. Any interest in reserving our rental TV/VCR for \$10 a night including movies? We also have DVD rentals available for your laptop!

None have telephones, or WiFi access (slow satellite internet available in the restaurant and pool area).

More hints...none of our lodging options have air conditioning but fortunately it's rarely needed.

All units have electric heat - open flames, including candles, are not permitted.

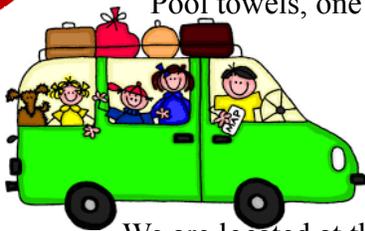

Lewis Lodge guests must be able to climb steps. There are two flights of stairs.

Cabins and Lodge Units come with bed linens, blankets, pillows & towels.

Pool towels, one per person per day, are provided for overnight guests.

Let's see...what else might you find useful...

Finding Us

We are located at the Southern most tip of the Bitterroot Valley in Montana.

Our driveway comes off of Hwy 93 South between mile markers 6 and 7, on the West side of the road.

We have a sign at the top of our driveway.

A simple, hand drawn, not-to-scale map of the resort is attached.

Here is a link to a more accurate, detailed map of the resort:

<http://www.losttrailhotsprings.com/room/property-map/>

The address to use in your GPS: 283 Lost Trail Hot Springs Rd., Sula, MT 59871

Googlemaps and Mapquest have us positioned appropriately. Anything that tells you otherwise is mistaken.

We have recently learned the map app on an iphone will steer you wrong. Our apologies for the inconvenience.

Travel safely!

The views are magnificent but so is the wildlife that you may find near the road, so be careful.

Obey posted speed limits especially when going through small towns like Darby (25mph).

It may surprise you, but they have no problem pulling drivers over for speeding.

Winter Conditions: Wintertime in the Montana Rocky Mountains can be slippery.

4-Wheel or All-Wheel Drive can be very helpful, especially if you are staying in Cabins 1 or 2 or the Lewis Lodge.

Shoes with spikes, like cleats, are also useful. Safety 1st!

Check In / Check Out Time

Check In Time: 3pm - If you arrive earlier you may use the pool while your lodging unit is being prepared.

If you will be arriving when we are closed, please make sure arrangements have been made.

Check Out Time: 11am - You are welcome to use the pool even AFTER checking out of your lodging unit.

We reserve the right to charge for late check outs.

Cell Service

Sprint and Verizon work pretty well here. AT&T does not work at all.

Sometimes you have to move towards a window or step outside, 1X or 3G service is usually available.

The closest AT&T service is 20 miles north of us, near Darby.

Payment

We take payment upon arrival.
We accept Visa and MasterCard
but we encourage cash by offering a
\$5 CASH discount, per unit, per night.

We regret to inform you that we do not accept checks unless received more than two weeks ahead of time.

If paying with a credit card please be aware that we only accept one credit card as payment and the credit card must be present. If sharing costs with others please organize yourselves ahead of time accordingly.

Policies

When you arrive, we will have you read our policies and sign off saying you agree to comply.

We will ask you to verify your information such as name, address and phone number.

We will also be asking for vehicle information so bring your license plate number with you to save yourself a few steps.

Our policy statements are on our website for your inspection, subject to change at any time.

They includes details about our pet policy including which cabins accept pets and the fee involved.

Also listed are our cancellation policy, and other policies such as quiet time at 10pm and our "excessive cleaning fee".

You may notice our key deposit but we are currently running a social experiment to see if we can eliminate that part of the check in and check out process. Please remember to leave your key behind when you depart.

This policy can be reinstated at any time.

Due to Liquor Board and Health Department Regulations,
outside food and beverages cannot be brought into the pool or restaurant areas,
including the deck surrounding the pool.

No food or beverages are allowed in the pool/hot tub area, even if purchased here.

We strive to maintain a tidy, safe, family environment. Your cooperation is greatly appreciated.

Hot Springs Hours of Operation Vary with the Seasons!

Summer Season Hours - Mid-June through Labor Day (Early September):

Hot Springs Facilities (Pool / Hot Tub)

Mon, Wed, Thur, Sun 8am - 9pm
Tues 8am - 3pm
Fri 8am - 10pm
Sat 8am - 10pm

Mornings are a fabulous time to enjoy the water
as they are often quieter than the evenings.

Restaurant

Please make reservations and order ahead
Thurs - Sun 8am - 7:30pm
By Reservation or By Chance

The restaurant has seasonal & special events closures.
It is always best to discuss plans with us.

Ski Season and Off-Season Hours - September through Mid-June:

Hot Springs Facilities (Pool / Hot Tub)

Fri Noon - 9pm
Sat 8am - 9pm
Sun 8am - 7:30pm
Mon - Thur Fall / Winter / Spring
Pool available by appointment only

Restaurant

Please make reservations and order ahead
By Reservation or By Chance
Fri Noon - 7:30pm
Sat 8am - 7:30pm
Sun 8am - 6pm

Variations occur due to holidays

for example, open the whole week between Christmas and New Year's as well as President's Day and Memorial Day.

Restaurant

<http://www.losttrailhotsprings.com/restaurant/>

The restaurant is available by reservation or by chance. If you do not make a reservation and place a preorder, then you are taking your chances. Food may not be an option, regardless of hours of operation, which are subject to change.

We all multitask and sometimes the restaurant has to take a backseat in the order of priorities.

Our restaurant is not like a regular restaurant. Think of it more like dining in someone's home. There are only a couple of people here who do everything.

Occasionally we have to pull in the handyman or housekeeper for some additional help. We have seasonal closures in the Spring and the Fall and special event closures any time of year. Let us know if you would like information about other restaurant options in the surrounding area.

Menus are available on the website. We specialize in NY Style, thin crust pizza. Prices start at \$10.50 for a 12" pie (10" gluten free available for \$1 more). 50 cent discount for cash payments on all pizzas, appetizers & baskets. Reserve yours now! The dough is made fresh so when they're gone, they're gone.

All that would be left are our fried food options. Salads are not on the menu, however, we might be able to make you a salad if you request it far enough ahead of time - the sooner the better, we are not located anywhere near a grocery store and deliveries are hard to come by!

Breakfast, served from 8am to 10am on mornings the restaurant is available, is more flexible. We would hate for someone to set an alarm clock to be in the dining room at a specific time, however, we do ask that you try to narrow it down to within a half an hour. We take orders, at the latest, the night before in order to be able to offer a fuller menu. 50 cents off each breakfast dish for cash payments.

If 8am is too late for your coffee fix, reserve our rental, 4-cup, coffee pot for \$5 per night. Only Cabins 1, 2 & 10 have their own coffee pot.

PS - Our restaurant contains the only television with channel reception on property. The Main Lodge is also the only place the (very slow) Satellite WiFi will reach. Our radio station, KLTR, 102.1, Lost Trail Radio, has a huge variety of music. Tune in from all of the lodging options as well as the area surrounding the resort for about 6 miles to the north and south including logging roads and parts of the ski hill.

Planning Your Own Meals

If you are thinking about preparing your own meals in your lodging unit, make sure to familiarize yourself with the contents of your unit ahead of time. There are NO pots or pans or plates or forks or knives or anything of that nature in any of the units. There are plastic disposable cups in the bathrooms. Bring everything you need to prepare & serve meals. Call or email to reserve the one electric 5th burner on property that can be borrowed in exchange for a \$5 deposit.

Only Cabins #3 & #7 have stove tops. Cabin #3 also has an oven. Only Cabins #1, #2 & #10 have coffee pots. All of the cabins have a small refrigerator but only Cabin #3 has a full size one.

Cabin #7 is the only cabin that does not have a microwave.

Cabins #1, #3, #6, #8 & #9 have kitchen sinks.

The Lewis Lodge Units have nothing but beds and bathrooms.

Cooking is not allowed in the Lewis Lodge.

Sacajawea Lodge Units #1 and #2 have beds and bathrooms only.

Sacajawea Lodge Units #3 & #4 have small ovens/stovetops/refrigerators & kitchen sinks.

Again, if you have any questions, feel free to ask. We want you to be prepared.
